PISCINE GLENMORE POOL

Pool smoking policy effective June 10, 2006

Even though Glenmore is a private outdoor facility & is not governed by Bill 112, the Board of Directors at their meeting on May 22, 2006 passed a resolution limiting the areas that smoking will be permitted.

This Bill **DOES** however affect the Curling Club in its entirety and smoking is NO LONGER permitted in any area within the Curling Club Building.

Effective June 10, 2006 there will be no smoking permitted in the following areas: the cement pool deck, the picnic area (also known as the back forty), the volleyball court and surrounding area, the lifeguard shack and surrounding areas, the fenced in area of the baby pool.

Smoking **WILL** be permitted on the grass areas around Le Barn (office) area and along the fence by the bell tower. These areas will be clearly marked.

There will be No Smoking signs posted this season as well.

This new policy should provide clear and delineated area(s) in which non-smokers can enjoy a cleaner environment.

The Board of Directors calls upon all members to fully respect this new policy.

Thank you for your cooperation.
